

A German Shepherd dog is shown in profile, looking out of a window. The dog's head and front paws are visible on the left side of the frame. The background shows a window with multiple panes, through which a bright, overexposed outdoor scene is visible. Overlaid on the right side of the image is a vertical list of four words in a large, bold, white sans-serif font. The words are stacked vertically, with 'Prevention' at the top, followed by 'Detection', 'Location', and 'Neutralisation' at the bottom. The text is slightly transparent, allowing the background image to be seen through it.

Prevention

Detection

Location

Neutralisation

A complete solution to deny cellular and Wi-Fi based devices in correctional facilities
